
EVERETT INDUSTRIES, INC. HIRES NEW SALES REPRESENTATIVE FOR PACIFIC NORTHWEST REGION

Warren, Ohio – January 25, 2012 – Everett Industries, Inc., of 3601 Larchmont Avenue, is proud to announce and welcome Douglas Clay as the company’s new sales representative for the Pacific Northwest region. Doug will represent Everett Industries’ abrasive cutoff saws and wheels.

Douglas comes to Everett Industries with many years of sales and service experience in machines, tooling and related metal fabrication products.

Everett Industries is operated by Bill Everett, president and Roy Williams, vice president. The company was founded in 1962 by Chuck Everett, Bill’s father, and today employs fifteen people. Everett Industries produces world class, high quality abrasive cutoff machines and wheels sold worldwide to any industry that needs to cut metal. Its 37,000-square-foot manufacturing facility houses a modern machine shop.

A complete product line is available to those who have a cutoff application. Everett Industries’ cutoff machines range from an 8-inch wheel diameter to a 26-inch wheel diameter. Most machines are available with manual or pneumatic clamping, hydraulic power down feed and wet cutting for metallurgical cutting applications. Dust collection is available for all dry cutting saws. Additional machines include wire rope cutoffs and 16-inch and 20-inch single and double mitering cutoff machines.

To purchase or inquire about a cutoff machine or wheel, please call 800-637-7297, e-mail: info@everettindustries.com or visit www.everettindustries.com to download a company catalog.
