For Immediate Release

**DENNIS MASTERN, SALES REP FOR EVERETT INDUSTRIES, INC., IS
CELEBRATING TWENTY-FIVE YEARS OF SERVICE WITH THE COMPANY**

Warren, Ohio -- Everett Industries, Inc. of 3601 Larchmont Avenue, is congratulating Dennis Mastern for twenty-five years of service as a Sales Representative with their company. Mr. Mastern sells abrasive cut-off saws and wheels in the Ohio, Kentucky, West Virginia, Southern Indiana and Western Pennsylvania territory. He has over 30 years of experience in the sales of metal working and industrial machinery and equipment and is a member of the President's Club of the Sandler Sales Institute. Dennis resides in Lebanon, OH with his wife and four children.

Everett Industries, Inc. is operated by Bill Everett, President, Roy Williams, Vice President and sales are directed by Michael Healey, National Sales Manager. The company was founded in 1962 by Chuck Everett, Bill Everett's father, and today employs twenty-eight people. Everett Industries produces world class, high quality abrasive cut-off machines and wheels sold worldwide to any industry who needs to cut metal or non-ferrous material. Their 37,000 sq. ft. manufacturing facility houses both a modern machine shop and abrasive wheel plant.

A complete product line is available to those who have a cut-off application. Everett's cut-off machines range from an 8" wheel diameter to a 26" wheel diameter. Most machines are available with manual or pneumatic clamping, hydraulic power down feed and wet cutting for metallurgical cutting applications. Dust collection is available for all dry cutting saws. Additional machines include wire rope cut-offs and 16" & 20" single and double mitering cut-off machines.

To purchase or inquire about a cut-off machine or wheel, please call 800-637-7297 or see us at www.everettindustries.com to download a company catalog.
