EVERETT INDUSTRIES, INC., CELEBRATES 45 YEARS IN BUSINESS

Warren, Ohio -- March 09, 2007 -- Everett Industries, Inc. of 3601 Larchmont Avenue, celebrates 45 years in business. The company was founded in 1962 by Chuck Everett, Bill Everett's father, and today employs twenty-eight people.

Everett Industries, Inc. is operated today by Bill Everett, President, Roy Williams, Vice President and sales are directed by Michael Healey, National Sales Manager. They produce world class, high quality abrasive cut-off machines and wheels sold worldwide to any industry who needs to cut metal or non-ferrous material. Their 37,000 sq. ft. manufacturing facility houses both a modern machine shop and abrasive wheel plant. Their abrasive cut-off machines perform the best, last the longest and provide the most value on the market today.

A complete product line is available to those who have a cut-off application. Everett's cut-off machines range from an 8" to a 26" wheel diameter. Most machines are available with manual or pneumatic clamping, hydraulic power down feed and wet cutting for metallurgical cutting applications. Dust collection is available for all dry cutting saws. Additional machines include wire rope cut-offs and 16" & 20" single and double mitering cut-off machines.

To purchase or inquire about a cut-off machine or wheel, please call, Bill Everett at 800-637-7297, email info@everettindustries.com or view us at www.everettindustries.com to download a company catalog.
