

EVERETT INDUSTRIES, INC. NAMES U.S. SALES REPRESENTATIVE

Warren, Ohio – January 26, 2015 – Everett Industries, Inc. announces Trex Lusk as a new sales representative in their Southern Illinois, Iowa, Kansas, Missouri and Nebraska sales territories. Mr. Lusk represents Everett Industries by providing cutoff saws and technical support to customers in those states.

Mr. Lusk attended the University of Southern Colorado and currently resides in Hutchinson, Kansas with his wife, Teresa, and their two sons. Everett Industries is proud to have Mr. Lusk and his sales expertise as part of their North American team.

Everett Industries produces world class, high-quality abrasive cutoff machines that are sold worldwide to any industry requiring metal cutting. Founded in 1962, the company employs a staff of 28 people, while daily operations are run by President Bill Everett. The company's 37,000-square-foot facility in Warren, Ohio houses a modern machine shop where a complete product line of saws is manufactured. Everett Industries, Inc. produces over 22 saw models ranging in size from 8 inches to 26 inches and wheels from 7 inches to 26 inches in diameter. Most of Everett's cutoff machines come standard with manual or pneumatic clamping and a hydraulic power down feed. Wet cutting machines are available for metallurgical applications and exotic alloys, while dust collection is available for all dry cutting saws. Additional machines include wire rope cutoffs as well as single and double mitering cutoff machines.

To purchase or inquire about a cutoff machine, call 800-637-7297, email info@everettindustries.com or visit www.everettindustries.com to download a company catalog.
