
EVERETT INDUSTRIES, INC. NAMES CANADIAN SALES REPRESENTATIVE

Warren, Ohio – August 12, 2014 – Everett Industries, Inc. announces a new sales representative for Canadian sales, William Brennan Company. The William Brennan Company will be representing Everett Industries by providing cutoff saws and technical support to customers across Canada.

The William Brennan Company has been representing manufactures in Canada since 1935 and support strong dealer network across the country. They have a technical sales team led by Gary Masters with over 100 years combined experience. Everett Industries is proud to have Gary Masters and the William Brennan Company's sales expertise as part of their team.

Everett Industries produces world class, high quality abrasive cutoff machines that are sold worldwide to any industry requiring metal cutting. Its 37,000-square-foot facility houses a modern machine shop, where a complete product line of saws is manufactured. Everett Industries' cutoff machines range from an 8-inch to a 26-inch wheel diameter. Most machines come standard with manual or pneumatic clamping and a hydraulic power down feed. Wet cutting machines are available for metallurgical applications and exotic alloys, while dust collection is available for all dry cutting saws. Additional machines include wire rope cutoffs as well as single and double mitering cutoff machines.

To purchase or inquire about a cutoff machine, call 800-637-7297, e-mail info@everettindustries.com or visit www.everettindustries.com to download a company catalog.
